Dear Sacred Heart Parishioners,

Happy New Year. I hope you all had a blessed Christmas! It is hard to believe 2012 is here. As you know Catholic Education is strong here at Sacred Heart School. Our school is the longest operating Catholic School in the Diocese of Toledo. This year we are celebrating 174 years. As for the 2012-2013 school year we will be celebrating 175 years of faith, academics and service. More information will be given about our on going celebration for next school year later this year.

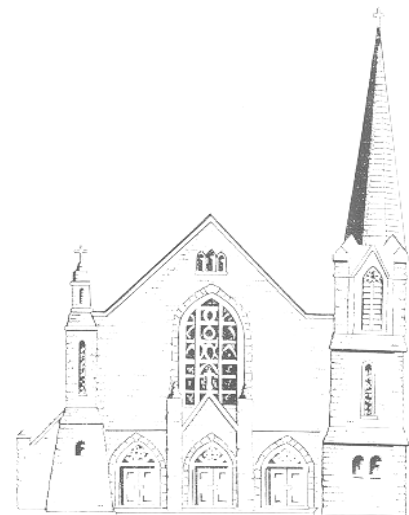

As for the celebration for the kick off to this year's Catholic Schools Week, is Sunday, January 29, 2012. We are celebrating mass together along with our Open House and our breakfast. You are very supportive of our students and staff. We are thankful of your support! It is an honor to be part of a wonderful, supporting community. Come and join us Sunday, January 29th to see how your support is influencing the lives of our students.

We are blessed to keep the longstanding tradition of Sacred Heart School. There are many reasons parents make the choice and sacrifices to send their child(ren) to our school. Some of the reasons are faith, academics and service. This year theme of Catholic School's Week is faith, academics and service. The theme focuses on three priorities that Catholic schools establish that make them stand out from other educational institutions. Children are taught faith – not just the basics of Christianity, but how to have a relationship with God. Academics, which in Catholic schools are held to very high standards, help each child reach his or her potential. Service, the giving of one's time and effort to help others, is taught both as an expression of faith and good citizenship (NCEA website).

In conclusion, please join us Sunday, January 29th. A family that prays together stays together. Along with mass, there are opportunities to see some projects our students have completed as they will be showcased during our Open House. Lastly, our fifth and sixth grade students and parents will have a free will donation breakfast. The money raised will help send our fifth and sixth grade students to Mohican Outdoor School this school year in April.

God Bless,

Lisa Myers, Principal
